

**CRIMSON  
GLOBAL  
ACADEMY**

## **CGA FLEX**

**CGA US offers a flexible program that allows highly motivated students to work on their own while in line with the [school calendar](#).**

**CGA FLEX option is available for any US Diploma and AP courses being offered during the current timetable.**

CGA students:

- will meet with their Personalized Education Coach (PEC) once a week to
  - review course progress,
  - discuss their overall needs, and
  - plan and organize weekly tasks.
- will have access to assignments on Canvas and class recordings.
- must submit work within one week of the posted due date located on Canvas.
- will receive grades and feedback from the classroom instructor.

If a student shows a lack of progress for 30 days, they must join a group or Da Vinci class to stay enrolled in the school.

A lack of progress is:

- missing more than 2 assignments within a 30-day period and/or
- missing more than 2 class sessions in a row within a 30-day period.

I acknowledge that if I show a lack of progress for 30 days I may be required to join a group or DaVinci course to stay enrolled in the school at my own expense.
